

COVID-19 “vaccines” - A huge part of the worst public health disaster in history

Dr. Alan Palmer

Title: COVID-19 “vaccines” - A huge part of the worst public health disaster in history (2 hours)

Hour 1

- COVID-19 “vaccine”- destined for failure
- The ingredients and how they opened Pandora’s Box
- Vaccine driven evolutionary pressure- How the virus outpaced man’s feeble attempts to keep up

Hour 2

- The best kept secret from the masses- The devastating casualty and body count is undeniable, yet they do and the landslide of scientific evidence that connects the dots.
- Adverse reactions (acute and chronic) and known plausible mechanisms of injury and death
